- If you want to make the ornament with the scalloped edging, make a second half following **Rows 1 through 4** above and then skip down to the **Scalloped Edging Pattern** below.

Join As You Go:

- For a simple round ornament with no edging, work one piece as directed in Rounds 1 through 4 above. Make a second working Rounds 1 through 3 and follow this Round 4 for joining, making sure to keep wrong sides facing each other and stitches aligned as you join.
- Round 4:** Sl st in next tr, *[1 sc, ch 2, drop loop from hook and pick it up through ch 4 loop of first piece, ch 2, 1 sc] in next ch-3 sp, rep from * over next 10 ch-3 loops, insert the balloon in between piece and inflate just enough to form a sphere that fits comfortably inside your ornament, knot balloon, work last pattern repeat in remaining ch-3 loop, join — 12 ch-4 loops.

3. Fasten off and weave in ends.

To finish:

1. Using a length of crochet thread, add a loop to your ornament for hanging. Using a small paintbrush, apply a thin coat of fabric stiffener over the ornament. Hang until dry or as long as directed on the stiffening product. Once dry, pop the balloon and carefully pull it out. If desired, finish off with a coat of spray glitter (outside!).

Notes:

- Finished ornament measures approx 6 in. in circumference.

Difficulty Level

Intermediate

Time to Complete

In an evening

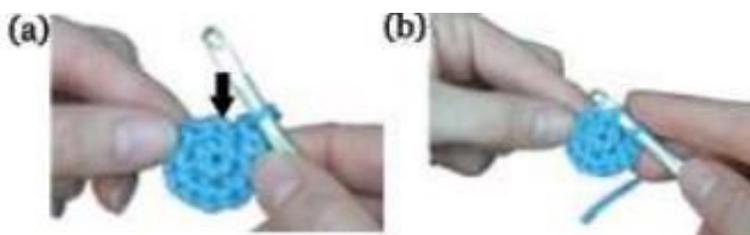

Materials

- Worsted weight yarn (less than 1 skein)
- A few handfuls of stuffing
- Ribbon (for the hanger)
- Size H crochet hook

Instructions

Stitch into the back:

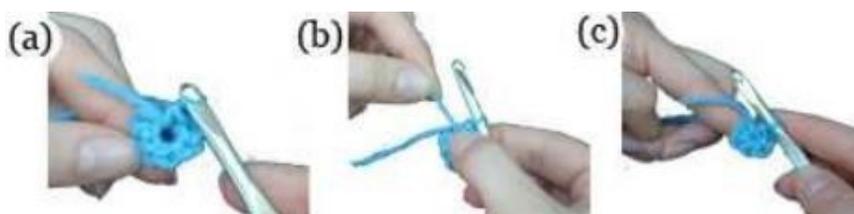

All stitches in the round are into the back loop, unless otherwise directed. Look at picture (a), and see how the arrow points to the back loop? You will stitch into this loop, as pictured in (b). Stitching into the back loop creates ridges on the right side of the piece. For rows, stitch into the front loop, unless otherwise directed. You can stitch into both loops if you desire, but this will change the look of the final product.

Instructions (cont.)

Starting out: the sloppy slip knot:

Most pieces in this pattern (as they are based on circles) begin with stitching six times into one loop. We recommend the 'sloppy slip knot' to avoid creating a hole in the center (a). To do this, twist the yarn around the hook to begin, and crochet as directed. Once you have completed your first round, pull on the tail, while holding the loop you have created (b). The loop will end up tighter, as pictured in (c).

The Bobble Stitch:

This pattern calls for a bobble stitch (bbl). To do the bobble stitch, wrap the yarn over your hook, as you do in double crochet, pictured in (a). Next, insert your hook into the next stitch one row below your current row, and wrap the yarn over and prepare to pull through, as in (b). Pull the loop through the first stitch on the hook, wrap the yarn around again and pull through two loops on the hook, leaving two loops as pictured in (c). Wrap your yarn over the hook, and insert the hook into the same stitch, repeating the action in (b) and (c) two more times. This will leave 4 loops on the hook, as shown in (d). Now, wrap the yarn over the hook, and pull through all 4 loops, creating the bobble stitch (e)!

Instructions (cont.)

1. With MC, ch 2. **Round 1:** sc 6 times in 2nd ch from hook (6).
2. **Round 2:** sc twice in each st (12).
3. **Round 3:** * sc twice in next st, sc in next st. Repeat from * 5 times (18).
4. **Round 4:** sc in each st (18).
5. **Round 5:** * bbl in next st, sc in next 5 sts. Repeat from * 2 times (18).
6. **Round 6:** sc in each st (18).
7. **Round 7:** * sc in next 4 sts, bbl in next st, sc in next st. Repeat from * 2 times (18).
8. **Rounds 8-11:** Repeat **Rounds 4-7**.
9. **Round 12:** sl st in next 6 sts, sc in next 3 sts, hdc in next 6 sts, sc in next 3 sts (18).
10. **Round 13:** sl st in next 6 sts, * bbl in next st, sc in next 5 sts. Repeat from * one time (18).
11. **Round 14:** Repeat round 12.
12. **Round 15:** sl st in next 6 sts, * sc in next 4 sts, bbl in next st, sc in next st. Repeat from * one time (18).
